

Seasonal CLUB LINK

To confirm your registration with Glenmore Park, PDBA require you to **LINK the player to GPBC using the unique club link.**

This is different to the PDBA registration that you pay annually. It also differs to our individual player registration.

This link is a seasonal process to ensure players are connected with the right club for the season.

UNLINKED players will not be able to play!

Unique club link can be found in club email. If you did not receive the email from the club please msg our FB page ASAP.

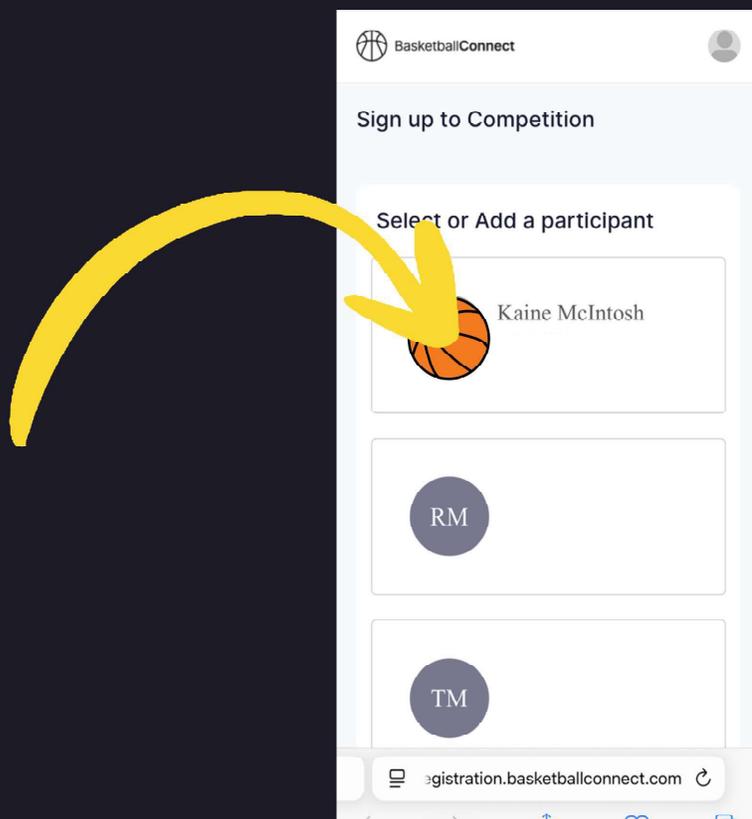

Seasonal CLUB LINK

Using the link that Glenmore Park Basketball sent you via email, click on it and open it in a web browser.

This link can not be used directly in the basketball connect app.

Log in to your existing Basketball Connect account, or create an account if the player is new to basketball.

Select the player that you will be linking to GPBC.
